Is the kitchen the central room in your house? The Info Rail is incredibly handy for the kitchen: think about all those documents and notes you have to keep or shouldn't forget. Place your grocery list, invitation or drawing in the Info Rail. It is not only practical, but it also gives an original touch to your kitchen.

live & experience

The addition of cornices between wall and ceiling perfectly finish your rooms and adds style to your decoration. Our flexible hanging system can be easily mounted behind these cornices so they are not visible and do not interrupt your finish. However, they still give you the freedom to decorate your walls however you wish without damaging them with marks or holes.

Colourful, cheerful & practical – that's the perfect kid's room. A place where your child likes to spend time doing his/her own thing. The hanging system is great here as you can feature your child's artwork. You can also brighten the room by painting the rail in a colour of your choice and hang coloured cords and cool magnets. The Info Rail is also great for artwork.

**WALL
mounted**

The Basic Rail is a picture hanging system that is mounted on the wall. The rail has an open J-shape, which, with the aid of a cylinder hook with transparent perlon wires, makes it easy to hang pictures and other wall decorations. Depending on the weight of the picture or wall decoration, various hanging hooks may be slid onto the perlon hanging wire.

The Basic Rail is available in:

**White
RAL 9010**

Technical specifications:

max.
20 kg/m

**WALL
mounted**

The Info Rail is the ideal presentation system for displaying cards, posters, drawings and photos on the wall. The rail is a practical and original addition to the wall. Assembly is simple: using clips, the rail is mounted firmly on the wall. Because of the rubber clamping mechanism in the rail, the content can be hung and changed quickly and easily.

The Info Rail is available in:

CEILING mounted

When wall mounting isn't possible, the Top Rail is one of the ceiling mounted alternatives. This subtle hanging system is ideal to use in combination with recessed ceilings: the Top Rail can easily be mounted on the wooden side strip. This makes the hanging system disappear into the ceiling, making it almost invisible. The hanging wires with hanging hook of your choice can easily be slid into the rail and positioned flexibly to decorate the walls.

CEILING mounted

The Up Rail is the leading ceiling rail; this hanging system can easily be mounted on concrete ceilings. The beautiful, rounded shape of the rail fills the space between the wall and ceiling, therefore the picture hanging system is discrete and unobtrusive. The hanging wires with hanging hooks can be slid into the rail, which offers a flexible and easy way of hanging, moving and replacing wall decorations.
