

# CLICK RAIL PRO

WALL SYSTEMS

The Click Rail Pro hanging system is the professional, heavy-duty version of the Click Rail. The rail is quick and easy to instal thanks to the Click&Connect clips, and can be mounted on the wall, flush against the ceiling. It is possible to mount the rail in such a way that the sliders for the hanging wire may be subtly hidden behind the rail. The Click Rail Pro picture hanging system has a maximum load capacity of 50 kg/m. Hanging heavy pictures and wall decorations is no problem with the Click Rail Pro. Click Rail Pro is a strong picture hanging system that you can trust when it comes to hanging your art on the wall. The hanging wires may be moved and clicked into the rail again at any desired location. This assures you of flexibility in what you display on your walls. Moving or replacing a work of art is fast and easy, and there's no risk of damaging the walls.

Available for plaster boards in sizes of 10mm and 12mm
